

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

TALISMAN DESIGNS, LLC,

Plaintiff,

v.

YOOMIE, *et al.*,

Defendants.

Civil Action No.

FILED UNDER SEAL

**DECLARATION OF TAYLOR FENNELL
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Taylor Fennell, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. In making this declaration, I represent the collective effort of a team of researchers for Ference & Associates, including myself, who conducted an investigation to determine if the identified Defendants were and/or are currently offering for sale and/or selling Infringing Products and whether each of the identified Defendants will ship and/or has actually shipped Infringing Products to the United States, including customers specifically located in Pennsylvania.

3. Prior to filing this Declaration, we accessed through amazon.com, eBay.com, wish.com, and aliexpress.com the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule “A”** hereto (the “Seller IDs”). Upon accessing each of the Merchant Storefronts, we were able to view Defendants’ Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants’ listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using at least one of the Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area (“the Pennsylvania Address”) in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. We inspected the detailed web listings

¹ As defined in the Application, a “Merchant Storefront” is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed infringing and knock-off versions of the Plaintiffs’ Product which closely mimic the appearance of Plaintiffs’ product and infringe upon Plaintiff’s Mark, Plaintiff’s Trade Dress, Plaintiff’s Works, or substantially similar copies of Plaintiff’s Works, and otherwise unfairly compete with Plaintiffs’ Product (the “Infringing Product”).

describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiffs' Products. These were sent to Katherine Waymire, President and owner of Talisman Designs, LLC. True and correct copies of the detailed web listings we captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 28th day of January, 2021, at Pittsburgh, Pennsylvania.

/s/Taylor Fennell

- Cooking oil container is a three-layer combination, the lid is a cute pig shape, which can prevent dust from falling into the oil; the detachable filter is easy to filter out pure grease; there is also a grease container for easy cooling, storage or disposal.
- Perfect Set: The pig-shaped silicone bacon oil tank can collect excess fat. After solidification, you can use a grease scraper to dig out the amount of oil you need. Can be spread on baked potatoes and bread to make bacon-flavored food.
